Dear Nathan,

**Re: Nathan Younger and Chantal Aimee Gouveia
Independent Legal Advice re Marriage Contract, Marriage Date August 10th, 2019**

collected
I've prepared my Account for the amount owing for Professional Services Rendered thus far ~~and~~ the amount owing is \$6,822.47 plus HST \$886.92 equalling \$7,709.39. This Account has been paid in part by the funds (\$5,000.00) in your trust, with thanks.

As you will see from my detailed Account, my hours spent were 31.3. As you know, at our initial consultation meeting the week before last, I had estimated, on an extremely rough basis 8 to 15 hours. Given the various unexpected contingencies that happened (see my previous various e-mails to you), this amount was by necessity somewhat higher.

As you know
As you know, you wanted this closed i.e. to sign the marriage contract and my Certificate of Independent Legal Advice before your wedding this Saturday, August 10th. This necessitated an extremely short time frame for me to do the work in ~~and~~ I was required to work virtually all day every day in the space of 5 days last week on an intense basis and setting aside all my other work to do this.

As per the terms of our Retainer Agreement, the balance is due upon rendering the Account. As a special courtesy to you I will accept payment by part payments to be paid over the next days to be completed in full by this Friday August 9th noon.

Please Note: I am prepared to write off \$1,000.00 of this Account – a reduction of 7.9% – if ~~payment is received~~ in full by this Friday noon.
